Additional Information :

Ordering and Payment Options:

To place an order, please contact DVSPORT at 1-833-876-9672 . When ordering please be prepared to designate the number of camera kits needed for your system and the preferred shipping address. Payment options consist of Purchase Orders, Checks and all major credit cards. DVSPORT will require approximately 8 weeks from the time of your order to deliver the replay system. The ordering process will start once payment has arrived via check or credit card. A convenience fee may be added to all credit card transactions.
